I DID THROW COLD WATER ON HER FACE WHEN SHE ASKED ME OUT.

YOMANGA.CO

BUT, WHY WOULD I? I ALREADY GOT WHAT I'VE BEEN CHASING AFTER.

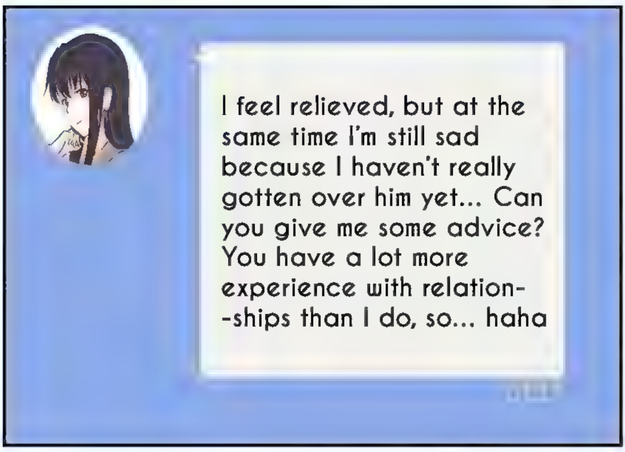
Oppa... I broke up with that bastard.
Lee Ha-Young
Just like you said... I did good right?



I feel relieved, but at the same time I'm still sad because I haven't really gotten over him yet... Can you give me some advice? You have a lot more experience with relation--ships than I do, so... haha

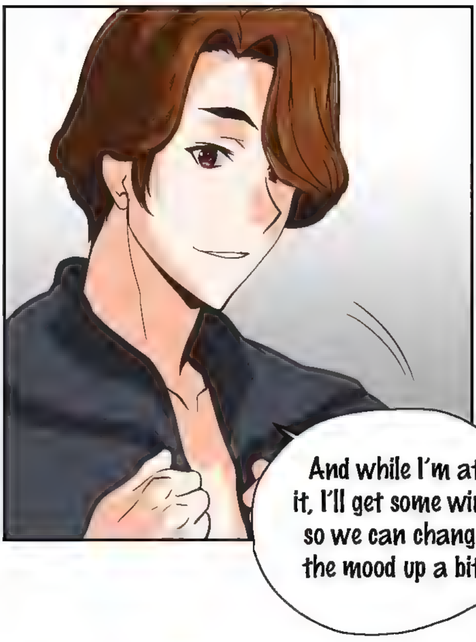
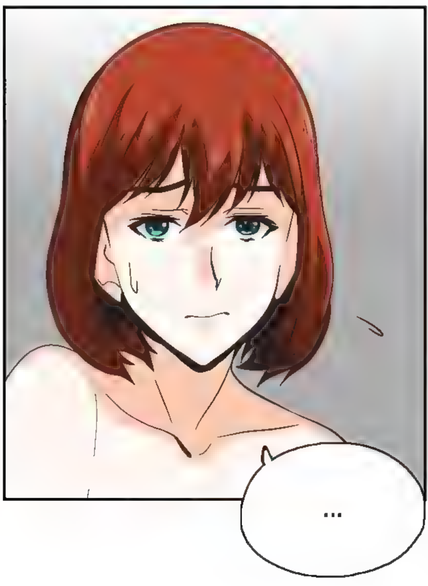
Nuna~ I'm going to go out for a minute to get some smokes.
And leave me alone? Can't you just smoke by the window?
I'm going to get something from the conven-ient store too.

YOMANGA.CO





Hurry up.

Yes, ma'am, I won't keep you waiting!

I tried to be as sensible as possible, but why do they keep throwing me to the curb? They do tell me that they like me too!!

...

Now I see what's going on...you called me out because you wanted girl counseling, huh?

I can't believe this... so, you're going to call your ex out after a year later to talk about some girl you're sort of dating? Is that it...

No, that's not... it just kind of happened...

Whatever. It's not like how you get sometimes.

...

I'll give you a piece of advice for our old times sake.

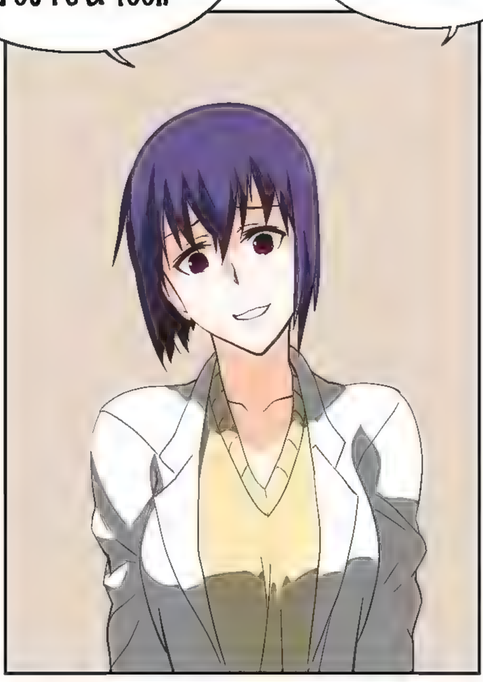
I don't know who she is, but I think she's the one who can help you.

You want it to go well between you and her, right? But you don't know how she feels, isn't that it?

YOMANGA.CO

Then, why are you sitting here asking me about it? You're a fool.

Am I her?



Why don't you just go tell her, "I want it to work for us. How do you feel about it."

I may not know what sort of feelings or whatever you guys had for one another..

To open the doors to her heart, there's something more important.

Remember. Even if you feel like something small is there,

it won't matter unless there's a strong feeling behind it.
